# Petals Club

Suitable for adults and teenagers

*(Flowers made by Petals Club member, Becky)*

Why not try out Petals Club this Easter holiday? Fine sugar flowers made from petal paste are a popular choice for wedding cakes. Either wired in sprays or single unwired blooms carefully placed, they really make a statement. Making these flowers is both relaxing and addictive! This is why we have designed Petals Club, where you can meet up with others who enjoy this craft on a regular or drop in basis.

**£20 per session to include tuition, use of all tools during class, refreshments and flowers made to take home. If you introduce a friend you get a £5 discount on that night.**
