## Activities for children and Family in the shop

### “Sticky Fingers”

Designed for preschool children and their parents and carers, our 1-hour Sticky Fingers sessions are created around popular children’s stories such as the Hungry Caterpillar. Joanna is an experienced early years teacher and has lots of ideas to share with you. After a brief introduction using a puppet or a prop to bring our story to life, we will enjoy an activity based around cake or biscuit decoration. Then a milk/juice and cookie break with game or song session led by

Joanna. Finally, we finish off with a craft activity. Babies and toddlers welcome too. Jo will support older children when parents need to support younger ones. Toys and books are available to share. Activity sheets to take home to develop the theme we have begun in the session. A lovely activity in a friendly and inspiring environment.

We are now offering our Sticky Fingers sessions on a private booking basis. The [full list of themes](#) is on our website. Then ask your friends if they would like to join you. Bookings can be taken for morning or afternoon sessions to fit in between school drop-off and pick-up times.
